Hi, Joann & Bob,

Well, the year has flown by & Alex is graduating! She still remembers your & our time in Colorado. Before we know it, she'll be married with a family like Dr. Nicole. (I still think of her as 14, when I first met her).

We know you can't attend (no gift necessary), but we just wanted to share this special occasion with you. Have a fun summer!

Loann, Josh
