

*You are SO MUCH MORE  
than just my  
Husband*

*You are the face I can't wait to see  
at the end of a long day,  
the arms I want wrapped around me  
when I'm feeling all alone in the world,  
and the only person in the universe  
that I'd ever want  
to spend forever with.*

HAPPY

*Valentine's Day*  
With Love

*And Happy  
Anniversary!  
Love Always &  
Forever Jan*
