

## AN *Empty Tomb*

**This wasn't what they expected. Imagine the fear. Imagine the confusion. Jesus told them it would happen, but they still were not prepared for his resurrection. Mary Magdalene didn't even recognize Jesus when he stood right in front of her.**

## *But He is Risen*

How often do we act like the disciples and Mary Magdalene in our own lives? We don't expect the extraordinary. We don't expect miracles in our daily lives. But that's what Jesus wants for you, especially today.

**He wants to resurrect your life.  
What part of your life needs resurrection?  
Let Jesus resurrect you this Easter.**

The entire team here at Dynamic Catholic  
is praying for you to experience Jesus'  
resurrection in a whole new way.

MAY YOU BE  
FILLED  
WITH  
*His joy*
