Hi Bob & Joan:

Want to thank you for the 2017 X-MAS card with pics of you and your beautiful grand daughter. Your Lambrghini is very beautiful. Also, same color as my 2014 Uper. I have been traveling a lot so I don't drive it much. Only has 4177 miles. Went to Bamberg & Shabathul, Germany June 2018 then to Munich in Dec for my Christmas holidays in 2018. Had wonderful times here is a pic of me on bridge looking at Town hall built on the River due to disagreements between the two city sides politics. (Bamberg). Beautiful city to visit. I will spend Christmas in Zagreb Croatia 11-22 Dec 2019.

I love Christmas Markets, Castles, concerts, etc. I am planning my Spring (April, 2020) trip to the Loire Valley, France. I will be there 10-11 Days, maybe longer so I can motor the entire Loire Valley. How are you and Joan of Arc doing? Have you travelled overseas? How old is your precious grand daughter. I have none. Still a bachelor! LOL. Feel good, feel like break dancing! I have been studying French too. I keep up with my Italian as well.

Take care and stay happy together. Your "Zasy work".
