

Bob & Joan,

Sept. 2019

Thank you so much for the card and also the Visa gift! We appreciate it so much!

We hope you are doing well and are enjoying your grand kids!

Time sure flies by fast! Hard to believe we have been up in Minnesota for over three years now!

We are delaying our gratification now so that we can make our way back to Colorado! Thanks again! We miss you.

both and are grateful for your friendship.
Take care and God Bless.
