

THANK YOU

2021

Bob,

Happy ^(late) Thanksgiving Bob! I
just wanted to let you know
that I am very thankful
for everything you have done
for me and Justin. I know
that you have a negative
outlook on late adulthood,
but you are so full of wisdom
and helpful insight. I hope
you enjoyed your time
with Nicole and the kids!
Remember, life is about
experiences!

Thanks,
Marina Ortega
