

FOR MY
Husband

IT'S BEEN
AN AMAZING
JOURNEY
TO THIS PLACE
WHERE WE ARE—

*We started out, like so many do,
with nothing but dreams in our pockets
and stars in our eyes.
Along the way, we met our share of obstacles.
But with love as our guide,
we've always enjoyed the adventure.
And now here we are,
so many miles and memories later...
deeper in love and stronger for the journey.
I know we're right where we've always belonged...
together.*

HAPPY
Anniversary

*Love
always &
forever
