2017 will be the 500<sup>th</sup> anniversary of the Reformation.

In July we toured Germany to see places important in the life of Martin Luther.

- Carl & Janice at Wartburg Castle, Germany where Martin Luther hid in 1521.

- Chapel altar in Old Latin School, Wittenberg, Germany.

Two sacraments represented by the dove for baptism and the chalice for communion.

The eye of God looks at you through Jesus.

- Our fifth grandchild, Inara Tinnen, born September 22 to Deverie and Rob in Madison, Wisconsin.

- Our Plymouth biking group at US Bank Stadium before it opened.

Our wedding rehearsal dinner was held the day before our wedding in the Garden Room at Jax Café in Minneapolis.

- This year we celebrated our 48<sup>th</sup> anniversary (November 23<sup>rd</sup>) with dinner in the same room.

- Carl & Janice outdoor patio at Jax Café, November 22, 2016.
