

REJOICE

Bob & Joan:

I have been travelling to Europe each Christmas before the pandemic.

In 2017 I went to Vienna, Austria.

In 2018 I went to Munich, Germany.

In 2019 I went to Zagreb, Croatia.

I was scheduled to go to Paris and the Loire Valley, France in September 2020. But had to cancel. I will resume my visit next Sept or Oct, 2021.

I have been travelling alone. No more tour groups. I meet friendly people on my travels. I am enjoying my bachelor life. There are three ladies that I date every now and then. All are widows like me. All are grandmas and have grandchildren. I have no grandchildren. One son was a bachelor all his life. Second son married then divorced his country singer/songwriter wife. No children. He is now a professor at University of Texas. Son one is 55 yrs. Son two is 52 yrs. Here is a picture taken at Lisa's apt when she was decorating for Christmas. My 3 dates are: Lisa, Anita, and Sioby. Sioby lives in Jacksonville, FL. She works for Hilton Hotels as hospitality manager. Sioby is 58 but looks 28. She is Filipino.
