

Goodbye 2020

Happy New Year
from The Kellys

WE'RE READY FOR

2021

2020 definitely had its ups and downs for all. Highlights include Alex graduating from Iowa State, Magna Cum Laude, with degrees in Advertising and Psychology. Grant turned 21 on St. Patrick's Day, but our celebration at home wasn't quite the same as our Covid-canceled trip to Vegas. Last but not least, being a nurse during a pandemic. Truly blessed that many family members have had Covid and survived.

Happy 2021, finally!
