

Merry
Christmas
and
Happy
New Year

Hope you enjoy a merry Christmas
filled with everything
that makes it a season
you'll love to remember.

We're looking forward to some
family get togethers this year that
we missed last year. Hope 2022
will be happier. I'll bet you get
to spend time with Nicole and her
family. We are enjoying our new
hobby of offroad Jeeping!
