

HAPPY MOMENTS...
HAPPY MEMORIES...
HAPPY HOLIDAYS!

with Love, George, Amy,
Ethan & Mac

2021 has gone by super fast. We have a lot to be thankful for this year. Ethan keeps us on our toes and we keep him very busy. He will be turning 8 yrs old this coming February. He is active in Karate and is working hard towards his goals to eventually receive a blackbelt. He has become quite the little reader and swimmer as well. We added a new family member in March, his name is Mac and he is a Terrier/Poodle. He is a sweet pup. He fits in perfectly with our family. We have enjoyed many camping "glamping" trips in our camper. It has been a lot of fun creating memories and taking time to disconnect. We hope to take some longer trips this coming year and explore different parts of the country. We are grateful that we have been able to work and stay healthy.

George is still at Boulder Valley School District and Amy busy with Real Estate. George's parents moved out here from Illinois in September and bought a home in Thornton. It has been really nice having them so close but quite the transition for them. We hope this finds you and your family happy and healthy and you're enjoying time spent with loved ones this year. We wish you a very

Merry Christmas and a Happy New Year
