

Thank
you for being
my friend!

MERRY CHRISTMAS

2021

Your thoughtfulness means
so much more
than words can say.

Bob,

There is not enough room on a card to say "Thank you" for all you have done for me, especially being my friend. I know sometimes I can be forgetful but truly know I am appreciative of you. You are kind and sometimes too generous, but that is just the kind of person you are. You are selfless and an inspiration to many. I know that sometimes you feel like you have no true friends but trust me, know at least you have one. Over the past (3) years that I have known you, you have taught me so many life changing lessons from "life is about experiences" to "not worry about the things I cannot control". The things you have told me will forever hold a place in my heart and I am grateful. You truly have been a sincere friend to me since the very first day I met you. Thank you! Thank you for the life lessons, thank you for the morning chats, thank you for checking in on me, thank you for helping with my car, thank you for being my friend. I know that I can depend on you for anything and that truly means the world to me.

Thank you for all the memories!

Your friend,
Marina D.
