

During this season of joy, we are filled with gratitude for all who have made 40 years of Unbound's work possible. Visit Unbound.org/JOY to see how your support has given life to our founders' vision of walking with the poor and marginalized of the world.

Wishing You Merry Christmas!

Please enjoy our commemorative ornament this Christmas and for years to come as a reminder of your important place in our global community. Mail challenges and health concerns mean you won't be receiving a card from your sponsored friend this year, but know that every day, the Unbound community thinks of and prays for you.
