

— happy new year —

The Kelly family-Scott, Jackie, Alex, and Grant

Hi, guys!

We always enjoy (& look forward) to your card each year. The kids are getting so big!

We took several trips this past year as well, which is unusual for us (Biltmore in N.C., Naples, FL, Las Vegas, & S. Dakota). Have 2 weeks planned in Feb. for St. Croix if Covid permits. I'm so sick of this (work in employee health @ hospital) as I'm sure Nicole is, too.

You both look great & assume you're well. Hopefully we can see each other again at some point. Haven't been back to Denver since we last saw you, about 12 years ago...

Take care & have a great 2022!

P.S. we love the Ozarks!
