

CHRISTMAS

Love | The Langes

We've had another full year!
Chris continues to get contract work and in his free time keeps working on finishing our basement.

Katie is enjoying her new job as a Data Scientist at CU.

Bosco is in preschool and trying new activities like soccer, basketball and ninja. He celebrated his 4th birthday in the park with friends and monster trucks.

Nico "Bash" is living up to his nickname and makes us laugh (and cry). He turned 2 on our 4th of July camping trip and stuffed his face with a sprinkle donut.

Over the summer we visited family in MN and IA. We also enjoyed a lot of pool time with the grands.

We said goodbye to the Aviator and bought a new (to us) truck. We took it on its inaugural camping trip this fall.

Sending love to all of our family and friends!
