

THE RHYNARD FAMILY
-2022-

2022

There's been lots of settling in this year... Jordan is up in Boulder, Lani's in Atlanta,
and Mike & Sandi are hanging at the Treehouse in Parker.

We miss Dad R. and the strength, love and loyalty he brought into our lives. For that reason,
family, friendship and connections mean more to us than ever - and we hold a special place for
each of you in our hearts. Whether in person, over the phone, text, email or snail mail -
we look forward to staying connected in the coming year.

May you and your family be blessed in 2023!

Love,
The Rhynard Family
