

A red Christmas card with a pine branch and gold ornaments bordering the text "Merry Christmas". The card is set against a white background. The pine branch is green with gold ornaments and pine cones. The text is in a black, cursive font.

Merry
Christmas

I received your Christmas card. I always enjoy seeing your family pictures. Thank you. You look good. Your grand-kids are so cute. My grandson, Nate, is 2 1/2 years old already. He is very outgoing. He loves trucks.

My sister, Roxanne's, husband Bill passed away on 10-22-2022. They were together for 47 years since 1975.

The rest of my siblings Chris, Dawn + Becky are fine.

I am liking being retired. I think I told you I retired on June 11, 2022 after 31 years with the Moreno Valley Unified School District working with Headstart preschoolers.

Take care and Merry Christmas + a Happy New Year to your family.
