But the Angel said to them, "Do Not Be Afraid. I bring you good news that will cause great Joy for all the people. Luke 2:10 When they saw the Star, they were overjoyed. Matthew 2:10

Dick and I spent the month of January in Gilbert, AZ this past year, just to see how the weather there compared to February thru early April... Needless to say, we experienced 2-3 mornings of frost on our windshield!! We decided that was not the month to go to AZ. June 24th our entire family left for Maui, returning on July 2nd. We all had a wonderful time even with our 6-wk old granddaughter [except Austin being sick for the first 4 days] ... This was Austin's high school graduation trip.!!! September found us in Colorado Springs attending and helping with a 5-day Dodge Viper invitational with people coming from all over the US., 300 plus cars and 500 plus people.

Patrick and JennaRae are always busy with their Qdoba business, caterings are big for them. They are minus one child this year so school activities have slowed a bit with only 2 kiddos at home.

Austin is 18 and a freshman at the University of Wyoming. He is a red-shirted freshman for X-country but was able to run unattached at a few meets with the coach being very impressed.

Mallorie is 15 and a sophomore in high school. She played tennis on the JV team this spring getting a couple of first places in doubles. She is now back playing hockey on a U-19 girls' local team and a Wyoming AA team also. Lots of traveling.

Landon is 13 and in 7th grade. He ran track this past spring in hurdles and sprints. He too, is now back playing hockey on a U-14 boys' local team and a Wyoming team. We get their dog when they travel!! He is still in band playing the saxophone and loving it.

Derek & Hannah now have 3 little girls with Madison Elizabeth entering this world on May 10th 2023. Talk about challenging.....!! Derek's carwashes, in Sheridan, Gillette and Billings are doing great! He does quite a bit of traveling keeping things going. Hannah had three months maternity leave before returning back to her doctor practice. They are "energizer bunnies" with kiddo activities and school.

Ellie is 5 yrs old and in Pre-K, 8am-3pm and loving it. She is in gymnastics, swimming and ice-skating lessons. However, she fell and broke her elbow which had to be pinned and casted for 3 weeks.

Amelia is 3 yrs old and in preschool, 8am-11am. The girls go to a Catholic school which the ratio of teacher to student is small. She is also in a tumbling class, swimming and ice-skating lessons. Being a now middle child, she is very independent and patient, mostly.

Love and prayers to all our family and friends for a wonderful Christmas Season and a New Year filled with good health and new experiences.
