

Merry
Christmas

The image features the words "Merry Christmas" in a white, elegant cursive script. The text is set against a red background with a white plaid pattern. Four white decorative elements are scattered around the text: a starburst in the top left, a large snowflake in the top right, a smaller snowflake to its right, and a cluster of dots in the bottom right. The word "Merry" is on the top line, and "Christmas" is on the bottom line, with a long horizontal flourish extending from the end of "Christmas" towards the bottom right.

Bob

Whether together in person
or simply in spirit,
it means so much to share
a little piece of this joyful season
with you.
