2024 A Year Full of Joy!

Greetings Family and Friends!

We received the Best Christmas Present Ever. We became grandparents on December 14 when Ryker James Logan was born.

In June, Leyla's family gathered together in Virginia to celebrate her Dad's 90th birthday. Dad said we made him old early as his birthday wasn't until the end of July.

Following that joyous occasion, in July, Calvin's Dad passed. We celebrated his life with lots of family.

Meanwhile, Calvin is still working with his CPA firm and Leyla is doing bookkeeping for him while she's active with church in various ways.

Wishing you a blessed and joyous 2025!
