Happy Holidays from the Rhynard's!

2024 Recap

Mike is enjoying his position at OpenText. His travel schedule has picked up and he's especially enjoyed face time with his teams in Romania and the Philippines. Of course, in his off-time, he's either tinkering with cars, attending car shows, or working on property projects with his tractor!

Sandi's notary business is keeping her very busy ... she's driven over 25K miles this year! When she's not working, she's reading, writing, helping Mike with property chores, or otherwise enjoying the beautiful Colorado outdoors!

Lani Rae took a leap of faith and has carved a path in the real estate industry. She's works for Lennar in Jacksonville, FL. When she's not selling homes, she enjoys the outdoors, her kitties, and gaming with friends!

Jordan Day was hired full-time this year at OpenText. She's a top contributor to the operations team and is still "adulting" in Boulder. When she's not working, she enjoys movies, theatre, volleyball, travel, and cuddling with her kitty!

We are excited to spend Christmas in FL!
All four of us in the same state for a week!

Sending love from our family to yours!

Mike, Sandi, Lani, and Jordan Rhynard
