MERRY CHRISTMAS AND A HAPPY NEW YEAR

Would like to wish you all a very Happy Christmas Season and a Wonderful New Year!

My family is doing well. Grandkids are busy with college, jobs and social activities. Ben the oldest graduated from college in May and has a job. Anneliese is a junior this year and is busy with studies and active with club volleyball. Jaeger is a junior also this year. He is busy with his studies, football games and friends. Norma and Hans can still work remotely and live down on the front range.

I am now retired. April I fell on black ice head first. Ended up breaking my left femur and hurt my shoulders. Physical Therapy started right away. Leg is doing well. Now working on the shoulders. They said I will be able to play golf this coming summer.
