✦ Our 2025 Year in Review ✦

What a year it has been! Bland celebrated his first full year of retirement, and in September Billee happily joined him. In May, we traveled to Kentucky to attend a beautiful family wedding, which gave us the chance to reconnect with our Kentucky relatives and share in their joy. Back home, we've started our big move to Wyoming — complete with a shiny new truck to help haul the loads. In July we took another load to the cabin and Billee attended her 50th Campbell County High School reunion. What fun it was for her to reconnect with her classmates and now with our permanent move to Wyoming she'll be a regular at the Class of 75 ladies' monthly luncheon.

High School Tour; what memories

Then in October, we set sail on an unforgettable 8-day Eastern Caribbean cruise with our dear friends Russ and Claudette, soaking up sunshine, laughter, and plenty of memories.

Family news brings us even more joy: our grandsons are thriving! Benjamin began his freshman year and is already shining scholastically taking honors classes and he's also a standout athlete in both baseball and football. Samuel, now in 6th grade,

is pouring his energy into the fine arts — theater, music, drawing, and 3-D design. Christopher (CD) started his college freshman year at Oxnard CC where he's competing with 55 other baseball players for a spot on the 35-man roster as a pitcher and outfielder; he's rocking it so we're confident he'll make the team 😊 Watching them grow and chase their passions has been a highlight of our year.

Our big kids are all doing very well in their careers, being recognized for their outstanding contributions. Hollie made a career change this summer from “Pre-School” teacher to becoming a “Real Estate” agent. She's hit the ground running, and we're excited for her future.

As we wrap up 2025, we spent Thanksgiving with Dudley and Marilyn at their Wyoming ranch. Christmas and New Years will be spent with our kids in Palm Beach, Florida at our timeshare. We are especially grateful for Bland's cancer remission and the excellent care and research at City of Hope that has been key to his good health today. With gratitude for health, family, and friendship, we look forward to the adventures ahead. Wishing you a Christmas filled with peace, joy, and plenty of laughter!

Merry Christmas and Happy New Year

Bland & Billee
