

Family MAKES LIFE
MERRIER

Mike, Sandi, Lani, Ryan, and Jordan - 2025

2025 has been a full and memorable year...

After five years on the East Coast, Lani returned to CO with her fiancé, Ryan. They settled in Castle Rock, and are planning a wedding slated for May 2026!

Jordan lives in Boulder, works in IT, and enjoys life with friends and her adorable new puppy, Chicken - who quickly stole everyone's heart!

Mike remains at OpenText and spends his spare time on property projects, tinkering with his Mustangs, or planning the next great adventure.

Sandi stayed busy as a Notary, read 66 books, and squeezed in hikes and paddle boarding when she could. The newest project at home? Four mischievous chickens!

Sadly, we said farewell to our sweet Great Pyrenees, Angel. He is dearly missed but gifted us with wonderful memories that we continue to cherish.

As 2025 closes out, we are grateful for family, friendship, and the moments that bring us together.

We wish you a joyful holiday season and a bright, blessed 2026!!
