

Bob & Joan,

Here's to wishing you a Happy Holiday Season full of Joy.

We are excited to share our highlights from the past year with you.

We started off with a "cabin camp" in January with Chris, Katie and the grand boys in Breckenridge for some winter fun in the snow - in May we flew off to Europe and toured Madrid, Paris, and Barcelona. - We took two vacation outings in our State: the June trip took us to Glenwood Springs, then to Marble where we 4-wheeled across country to the Crystal Mill, then to Aspen and over Independence Pass. The second trip in September took us to Southern Colorado where we rode the famous Durango-Silverton steam train to see the Aspen trees turning their fall colors. We visited Mesa Verde and the Black Canyon of the Gunnison National Parks. - We took a road trip in March that took us to Albuquerque, Phoenix area, and Los Vegas. - At Thanksgiving we returned to Robert's sister Teresa and hubby Joel's house in Albuquerque. And we went on campouts throughout the summer with the kids.

For projects this year Robert worked on his N scale train layout, Susie quilted a flower wall hanging for the guest room and did gardening, Robert did several home improvement projects, painted the Ford F-150 pickup, and kept busy tele-working from home as a consultant for his old office in the Pentagon. And we spent several weekends at Chris and Katie's helping to finish-out the basement. Last weekend we sprayed on the drywall texture... so that project is getting close to being done..... We hope! What a year, and we're looking forward to the next to spend time with family and friends.

Love & peace.....
