Love never gives up,
never loses faith, is
always hopeful, and
endures through every
circumstance

1 Corinthians 13:7

Elaine (Freddi) Raicevich went into eternity on Friday, April 26, 2024. Simply put, she made everything beautiful.

Freddi was born in Manhattan Kansas, the second set of twins and one of five children. Her family moved to Denver, where she proudly attended East High School. Freddi had a passion for music; a proficient pianist and trained opera singer, she performed both in the school choir and at many weddings. She went on to attend college in Greeley Colorado, graduating with a degree in Elementary Education. During her freshman year, Freddie met the love of her life, Andy, on a blind date. From that night forward they crafted a life together spanning 70 years; married just shy of 65 years. Freddi was known for her ability to connect with all people; making each person feel special, heard and loved. She was the mother every neighborhood teenager went to for advice and laughter. Freddi enjoyed crafting and working with her hands; she was a passionate reader, bird enthusiast and animal lover. She opened her home to all furry friends and their human companions. She had a quick wit, enjoyed her friends to the fullest and could sling a few of her favorite curse words deftly! Sitting on the front porch, she greeted all who passed by, relished her nightly glass of wine and celebrated every correct Final Jeopardy answer! She taught us all to savor life, linger a bit longer with people you love and to be kind to everyone. Most importantly she loved, respected and built her world with Andy, content simply to have him at her side.

Freddi is survived by her husband Andy, their daughter Leslie (husband Brad, grandson Harrison); son, Drew (Betty Lu) and twin brother, David Robinson (wife Carol). She was greeted in heaven by her granddaughter, Morgan Ruth.
