

# John's Story

**Generous Provider | Kind-Hearted | Innovator | Fighter**

**Also Known As Mr. H, Hachmeister, Papa, & Dad**

His Legacy Began On **December 13, 1948**  
IN DENVER, COLORADO

## DID YOU KNOW?

The worst thing he ever ate was whale blubber.  
He **played trumpet** in DC for Lyndon B. Johnson's Inauguration.  
The first building he built with **JHL CONSTRUCTORS** was a fire station.  
He always **DREAMED** of building a hotel.  
The biggest lobster he ever saw was 'at least 5 feet long, no joke.'  
He attended Officer Candidate School with the **Marine Corps** in 1971.  
After his non-compete with **Snow Construction**, before starting **JHL CONSTRUCTORS**, he tried to get a job as a paper 'boy' at the Denver Post, but was turned down for the position.  
He started **JHL CONSTRUCTORS** in 1987.  
He **CREATED jobs & PROVIDED** for hundreds of people throughout his career.  
He majored in Industrial Construction Management at **Colorado State University**.  
His '66 GTO was the first 'super' car he owned and became the start of his **car collection** resulting in owning over **100 cars** throughout his life.

## THE BEST OF

The **BEST** trip he ever took was to Paris.  
His **FAVORITE** place to fish and camp was Sylvan Lake.  
He was most **PROUD** of building this very church that you are sitting in.  
He was **HONORED** when JHL Constructors was voted the **BEST PLACE TO WORK** in Denver.

## HIS ADVICE & KEYS TO SUCCESS

**BE HONEST** *Have Integrity*  
**WORK HARD TO FOSTER RELATIONSHIPS**  
**SAVE ON THE SMALL STUFF**

He would not allow his employees to buy paper clips because there were always plenty in the bottom of any drawer – you just had to look.  
He would not let his kids order cheeseburgers from McDonald's – they had to order hamburgers and put the cheese on when they got home because it was less expensive!

**"For whoever believes in me shall not perish but have *eternal life*."**

- Jesus John 3:16

**He Met Jesus Face To Face On *October 2, 2017***

Bev, Lauren, Jonathan, Danny, Shannon, Aaron, & Russ, his beloved nurse were all by his side and witnessed him meeting Jesus. **IT WAS BEAUTIFUL.**

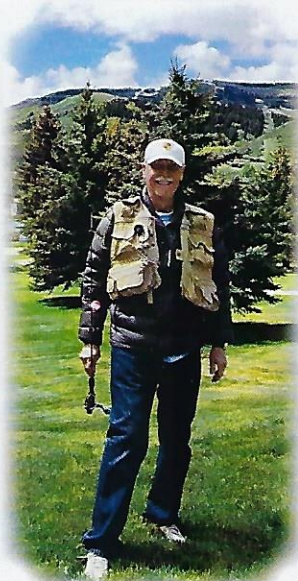

## HIS FAMILY TREE

He was **MARRIED** to Bev for **41 YEARS**.  
He had **THREE CHILDREN**, a son-in-law, a daughter-in-law, and **FIVE GRANDKIDS**, two of which he was able to meet in the last few weeks of his life.  
His grandfather was part of the Klondike Gold Rush in the Yukon Territory in 1896 where he mined a gold nugget that has been passed from generation to generation, recently being passed to his granddaughter Harper.
