Friends & family, please join us as we celebrate and grieve the loss of this very unique and loving man 💔

Thank you for the outpouring of messages and phone calls. The support we are receiving is tremendous and helps to heal our hearts. Each moment is currently a struggle, but I will be okay for the sake of our amazing little girl that he blessed me with. Please share this announcement with all. I want the room filled with love for him.

*Elliott will not be in attendance for the celebration.
