

A child's drawing on a white background. The central figure is a large, pink, textured shape resembling a face or a creature. It has two large, dark, oval eyes and a simple, curved black line for a smile. Above the pink shape, there is a dark, horizontal, scribbled line. To the left of this line, the text "TO. Nd Nd" is written in black. To the right, the text "Pd Pd" is written in black. On the right side of the pink shape, there is a yellow circular object with a black outline and a black line passing through it, possibly representing a wheel or a button. The pink shape has a wavy, scalloped bottom edge.
