

*It's time
to light a candle
for another year
of having you to love...
Time to celebrate
another year of reasons
why I'm happy
to be spending my life
with you.*

Our birthday

*is special for me, too,
because it brought me the gift of you...*

and there seems

to be no end of ways

you bring your gifts of strength

and laughter

to our life together.

So I'm celebrating

one more year

of feeling thankful and proud...

proud of the person you are

and thankful

for everything you do

to make our life together so sweet.

With all my love

ON YOUR BIRTHDAY AND ALWAYS.
