

For My Wife

ON OUR ANNIVERSARY

We do big plans—

filled with maybes, someday,

and why not.

*We do quiet tables for two—
with inside jokes, long talks,
and kisses that make 'em blush.*

*We do life together—
the good times, the "I'm sorrys,"
and the surprises in between.*

And because we do all of those things,
we do love the best of all.

Happy Anniversary

*Thanks For A great 41 YEARS!
here is to another 41 years,
my one AND only Big Mac woman*

*Love
B +*
