

# FOR THE MAN I MARRIED

A LOVING  
FATHER'S DAY  
MESSAGE

The longer we're married,  
the more I realize  
how much I need you,  
I realize how much it means  
to have your love, your help,  
your understanding--

The longer we're married,  
the more I hope you know  
the things I feel in my heart  
and all the special reasons  
why I love you as I do.

HAPPY  
FATHER'S DAY

良き父と良きこい私の夫  
長々々々至きて毎日とても大切
