

For You,
Dad

YOU MEAN
SO MUCH
TO ALL OF US

Family ties somehow don't seem
to mean as much these days,
Some children and their parents
like to go their separate ways--
But we happen to be different
in a lot of things we do,
And we will always cherish
those family ties with you--
You have a place within our hearts
that no one else can fill,
We need you and we love you
and you know we always will.

Happy
Father's Day,
Dad
