

*For a Sister-in-law
Who Means So Much*

Loving Thoughts
and Birthday Wishes

Joan,

For all the special times
we have,
for all the fun we share,
For all the nice things
that you do,
the ways you show you care,
For our family bond
and friendship,
this comes with love to say -
Hope a dear and special sister
has a bright and happy day!

a Special

Happy Birthday

from my
dear
Love, Bet
