

Mom,

even when I was younger,
I probably didn't say
as many "love yous" as I should,
but I'm more aware than ever
of your gentle influence
in my life.

Queen,

The "love you" I offer today
understands the sacrifices
you've made.

It apologizes for the times
I caused you worry or concern.

And it assures you
no matter how grown-up I think I am...
you'll always be my mom,
and I'll always be your daughter.

Hope you had a wonderful Birthday!
Thank you so very much for being such a
wonderful mom! I am so lucky!

Love Always
