

*With  
Our  
Sympathy*

We wish we knew  
how to find the right words  
to bring you comfort  
at this difficult time...

Joan, Bob & Nicole,

But please remember  
we're always here for you  
with our friendship,  
our caring, and our support.

Deepest  
Sympathy

Our Love and Prayers,  
It's so hard to lose your  
mother but all the fond  
memories help ease the  
pain.

Del & Angela Cito
