

For a Special 1-Year-Old

What Are Little Boys
Made of?

Landers,

What are little boys made of?

They're made of fun surprise,
of fairy tales and innocence
and the brightest, cutest eyes.

What are little boys
made of?

They're joy and
pure delight
from sleepy
morning snuggles
'til they hug you
"nighty-night."

* Little boys like you *
* are made of all the *
* nicest things - *

Hope that you'll enjoy the smiles
and love your birthday brings!

* Have Fun *
* Being 1! *

Happy
Birthday!
Love
Dad
